Careers in Asia and Africa

Wednesday 23 November 1pm to 2pm

Venue: Sports & Exercise Sciences LT1

Global Career Company will be giving a presentation for International Students returning home after graduation.

Global Career Company are a world-renowned international recruitment consultancy who focus on helping candidates find jobs back in their home countries in Africa and Asia. The presentation will cover this and other global economic trends, as well as providing information on interviews, CV technique and networking. They will also tell you what to expect at their upcoming Recruitment Summits and give you insider information on those companies that are recruiting high calibre candidates like you.

Visit their website for further information at www.globalcareercompany.com
