

CAREERS MANAGEMENT SKILLS SESSIONS

For International Students

International Employability Skills Series

Room SR1 Careers and Employability Centre
Presentations followed by seminars hosted by current International Students.

What is Employability? What is this word you hear every time someone talks about job hunting? What are employers looking for? Find out how you can assess your skills and stand out from the crowd.

Tuesday 21 February 1-2.30pm

Job Seeking Skills for International Students; Unsure where to start with your job-hunt? Need assistance in identifying employers and finding vacancies? This practical session is aimed at helping you to find your ideal job.

Thursday 23 February 1-2.30pm

UK Business Etiquette; This session explores fitting in and getting on with your colleagues at work. Gain a better understanding of expected behaviour in the UK workplace.

Tuesday 28 February 12-1.30pm

Language of Selection and Recruitment; Not having any luck with your applications? This session covers typical language difficulties international students face when applying in writing for jobs.

Thursday 1 March 12-1.30

To attend these workshops sign up at www.as.bham.ac.uk/careers

Places limited so don't delay.

Postgraduate Business School students should consult the Careers in Business team for information about their workshop programme. Please email careersinbusiness@bham.ac.uk, or log in to Careers in Business Online on <https://business-bham-csm.symplicity.com/students>
