

Employer Networking Event For International Students

Dear International Student

I have great pleasure in inviting you to apply for a place at the employer networking event on Wednesday 14th March.

This event is especially for International Students and will be by application and selection ONLY.

This will be your opportunity to meet employers who will be recruiting UK educated students like you for graduate positions both in the UK and globally, throughout the coming year.

Don't miss this fantastic opportunity to develop your networking and communication skills.

In order to secure your place please reply to my email address below outlining in 200 words why you would like to attend, what you hope to achieve and how you think this event will enhance your employability skills. Please ensure you include your full name, course and year of course.

Those invited will be given further networking skills training before the event.

Places are limited to 50 students so don't delay; apply today!

Closing date for applications; Friday 28 January 5pm.

I look forward to hearing from you.

Best wishes

Ellen
